**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I really see high value in my small ISP which provides excellent internet and phone service at a lower cost than AT&T.

Not only do I get higher speed for less, but they also provide better customer service and support for my small business.

Please allow for plenty of competition in this space.
